President's Report

On Friday our Club combined with RC Eaglehawk to host a Trivia Night and what a great night it was! So much fun and laughter. Questions were not too obtuse and provided you had a mix of knowledge at your table it worked well. A table of our Members won! Congratulations to Emily and her crew. My table didn't fare so well but we had a jolly good time. A good laugh is good for the well-being!! Attendees bid well at the Auction and the Silent Auction also attracted good interest. The Raffle tickets sold like hot-cakes judging by the box I had to sift through to select winners. Thanks must go to Tony Plant for jumping at the opportunity to join with Eaglehawk for this fund-raiser and all round fun event.

'Changeover' approaches, so please RSVP and pay.

I tuned in to some of the District Assembly before heading off to do a turn at the SBFNC BBQ. Of note, with the International Conference happening in Melbourne next May, there will be a Super Early-bird price available between June 4 – 8 (Chicago time!) but incoming DG Amanda Wendt assured us she will be emailing all Rotarians so we don't miss out on the opportunity.

I had a letter of appreciation from Honorary Member Tom Glazebrook AM following the Meeting on May 19. The letter also contains a summary of what Tom spoke about on the night regarding our Scholarship program. It is attached.

I look forward to seeing you all at our next Meeting at the Lake View!

Trivia Night fun!

This week at the Lakeview!

Come along and join us – learn more about this iconic Hotel

Guest Speakers-Kane Gould /Ken Arnold

Our first speaker this week is the current licensee and owner of the Lake View Hotel. Kane will provide some background about his family history and how they ventured into the local Hotel industry. Also his work history prior to following his parents into Hotel management and more recently his purchase and total restoration and expansion of the Lake View Hotel.

Also I have also arranged for local historian, collector and author in Ken Arnold to follow Kane to give us a broad over view of the history of some of the very early drinking establishments that were around in the very early days on the Gold fields. Ken has written a number of books on a number of local history themes along with his magnificent photographic record of the numerous Hotels that once existed and in many cases still are trading throughout Greater Bendigo. It is possible Ken may bring along a few of his books that could make available for purchase.

Unfortunately Ken is not in very good health at present but if he feels up to the task on Thursday has agreed to come along and provide his presentation. I will need to confer with him again nearer the event to see how he is travelling.

Annie North's Recent Working Bee

As a follow up to our recent working bee at Annie North Women's Refuge there is a requirement to conduct a second event to complete the work.

Date proposed is **Friday June 10** commencing 9.30 am. Also as a one off, additional members of the club can also join the already registered volunteers to provide the extra labour required.

Those who wish to volunteer to assist the regular rostered and approved volunteers will need to provide a copy of their current Working with Children Card, have a completed form three document listed with our Club Secretary and be prepared to sign a Confidentiality Agreement provided by Annie North staff.

Tasks are to tidy up all garden beds and barrow in and spread pine chips. Also some trimming and pruning of some existing plants and the re-laying and mulching of one particular garden bed. If we get the sufficient numbers we should be able to complete this work in about three hours.

If you are able to take part please let me know prior to or at least by our meeting this coming Thursday. A decision needs to be made by this coming Friday as to whether we have enough volunteers to go ahead as planned.

The reward for all that hard work!

BBQ Dates for the Bendigo South Football Club:

Thanks for a very good response to these to support the mighty bloods. At each BBQ we will have someone who is in the know (now known as the expert) and we require 2 extra to make it work. So far we have the following.

4th June v Maryborough. The expert, Sue and Trevor.

25th June v Eaglehawk. The expert and 2 others required.

16th July v Kyneton. The expert and 2 others required.

30th July v Gisborne. The expert and two others required.

20th August v Kangaroo Flat. The expert, Merlyn and one further required.

Please also consider becoming the third person at the BBQ, that will make it an easy day (and I can watch more football)

Please contact George Ellis on 0438353414 with times that suit you to help.

Ironbark Gully Frog Ponds Working Bee

The Ironbark Gully Friends Landcare Group will be carrying out further planting of a variety of wetland seedlings at the frog ponds project area next Saturday morning, 4 June, commencing at 9am. Rotary club members are welcome to join in, and contribute to the environmental and community outcomes as part of our annual plan.

The frog ponds are located on Ironbark Gully behind the Garden Gully hockey club reserve, and can be accessed from Victoria Street or Hayes Street, Ironbark. Bring along your usual seedling planting tools and outdoor work gear.

If you have any queries, call Bernie Young on 0467 619 258.
