PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

- A Christmas Trailer Raffle — in partnership with the Rotary Club of Eaglehawk -funds to support local community groups.
- Annie North Women's Refuge — Volunteers assist to maintain their garden.
- International Project— Scholarships for Girls to gain an education in Timor Leste
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

Our members have found that it's a truly rewarding experience.

My experience with our club has been immensely valuable. I've made lifelong friends and gained many transferable skills that have helped me succeed in my career.

Matthew Scott— Club member

I too have made lifelong friends and Rotary has provided me with a great purpose to serve others and keep my brain active and busy in my retirement years.
