PRESIDENTS REPORT.

At the last meeting the club provided the opportunity to host Year 10 Scholarship holders to do a presentation to the meeting. Loddon P 12 took part with the support of parents, teachers and friends in attendance. There were circumstances where some scholarship holders were unable to attend and participate at this meeting. One option is to provide a further opportunity to students to attend and make a presentation either late June or early into the next Rotary year. This needs to be discussed with incoming President Glenn and current Youth Director.

The student talks were most interesting and appreciated by all with numerous questions and discussion with each of the three students - Jasmine (Scholarship Holder) Zoe (ConocoPhillips) and Luisa (exchange student). Thanks to Glenn for his dedication and organisation of the Secondary school's scholarship program during this Rotary year.

During this weekend the club is involved in two community service projects. These are occurring at the same time this weekend with the Highway clean up at Axedale and a BBQ at the new RMIT Flight school at Bendigo Airport. Thanks to members for their support to both projects with some new members undertaking the environmental Highway Clean-up project for the first time. Thanks to Community Services Director Ian, Gary Pinner and George Ellis and members for undertaking a record BBQ program throughout the year.

Members are also reminded that comments concerning Club Vision can be submitted up to the end of May

At this meeting we will have two speakers, Health Science Scholarship holder Maggie from Latrobe University and member talk from Heather Nixon with discussion on developments in nursing forming part of the evening.

On Sunday June 16th I would like to suggest that the club could hold a social event at Sutton Grange Winery if there is sufficient interest. At the winery there is wine tasting, local platters and entertainment and an always a pleasant afternoon there.

See you Thursday.

Yours in Rotary
Rod Spitty

Reconciliation Week Indigenous youth project

The Indigenous Support Program at Bendigo Senior Secondary School is conducting an Avenue of Honour of Indigenous Heroes at BSSC/Ulumbarra café **courtyard at lunchtime on Wednesday 29 May for Reconciliation Week.**

An invited guest is Paul Haw from Boort, author of Footprints Across the Loddon Plains about early settlement around Lake Boort, and custodian of locally collected artefacts on behalf of the Dja Dja Wurrung people.

The school will be conducting a BBQ on their own cooking facilities for the whole school community, and we have been asked if we can provide volunteers to assist - many hands are needed. This is a great opportunity to don the club colours and support local youth and Indigenous programs.

Set the date aside in your diary if you are available. Volunteer names will be collected over the next couple of weeks.
