PRESIDENTS REPORT

A week is a long time in Rotary especially during these Covid-19 times when plans can change suddenly. This time last week we were confident of conducting our President changeover as a live dinner meeting. However, due to the rates of Covid-19 infections rising dramatically in Victoria we decided it would be safer and more politically correct to conduct the changeover via Zoom. I encourage members and friends to get together in small groups and participate in the Zoom changeover meeting. It is a significant event and I'm sure incoming President Paul will appreciate your support.

The Christmas Trailer Raffle committee has been working behind the scenes with organising the purchase of a trailer, the toys, tools and household items as well as booking the selling venues, organising tickets and liaising with the partner groups.

We are now in possession of the keys to our storage shed at the Mechanics Institute and can begin moving in our memorabilia, regalia and records and prepare for the barbeque trailer storage.

Our Exchange student Luna flew out of Sydney on Saturday and should be safely back in Norway by now.

As this is my last President's message for the Signpost, I would like to thank Paul Gibbons for his work putting the Signpost together each week and to Clive Hughes for his great photographs.

We are farewelling two long standing members of our club Ruth O'Connell and Ros Chenery who are retiring from Rotary. Thank you to Ruth and Ros for their service over the years and good luck for the future. We also are welcoming a new member, John Stewart who is transferring from Bendigo Strathdale Rotary Club. John will be a great addition to our club.

Hopefully all members will tune into the Zoom changeover this Thursday and rekindle our motivation for the coming year. We have a strong club with friendly cooperative members and even though we are limited with what we can do at the moment it is important to keep in contact, stay informed and be ready for when the good times return.
