## **PRESIDENT'S REPORT**

With no club meeting held last Thursday, I do not have much to report other than congratulations to all the members who helped out at the Scots Day Out barbeque on Saturday. A reminder to members that it is not too late to register for the District Conference being held on the 27th, 28th and 29th of March.

A further reminder to members who indicated the availability to help at the SCOPE working bee on the morning of Sunday 15 th March. The logistics for this task will be discussed at the next club meeting which is at the Foundry this Thursday 5 th of March.

On a sad note, two members of our club recently put in a lot of time and effort trying to catch a Murray cod but to no avail. Much Rotary business was discussed but unfortunately no fish were caught by these two.

**World of Difference**” is a District Managed program which was started by Rotary Melbourne South back in 2009. Since then over 20 humanitarian trips, over 10 district and global grants have achieved safe water, agriculture, health, education and economic opportunities that Cambodian people desperately requested. We monitor and build on these trips after trip.

Our committee members and passionate team would be most grateful for the opportunity also to visit your Club to speak further about the upcoming trips, the project they envelop and what possibly the research and future project development is being explored at this moment. If a speaker opportunity is available our Chair Rob Hines would love to hear from your speaker Chair. His email address is [rob.hines@live.com.au](mailto:rob.hines@live.com.au)  
warm regards
