## **Acting President's Report.**

The Foundation Dinner was held on Thursday evening with over 80 Rotarians and partners in attendance including a strong representation from our club. The evening was very ably Chaired by Merlyn and was a great chance for Rotarians from a range of clubs to gather and socialize

Past DG Murray Verso was the guest speaker and he spoke about the Foundations work in eradicating polio and also the efforts being made to prevent Trachoma in Australia and parts of Asia. The number of Polio cases is most recently recorded as 27 worldwide. The evening had a friendly relaxed vibe and we went away with the reminder from Murray to "keep doing good for others".

Thank you to members for the many hours you are putting in selling raffle tickets. We only have a couple of weeks to go so let's keep persevering and make it a big success. Also, if you have ticket books and money to return please bring them to the next club meeting.

We return to the Foundry next week for a normal Club meeting which will be followed by a Board meeting.
