PRESIDENTS REPORT

Once again, as has been my experience in my time in rotary, everyone really enjoys new member talks. This week was no exception when we firstly heard from Clive and Jenny Hughes followed by Lindsay Jolley as they guided us through their lives journeys. All very different in content and delivery style but gave the members present a great insight of who they really are. Congratulations to you all on the quality of your presentations and we already know that we have three new highly valued members who will greatly contribute to the continuing growth and ongoing success of our club.

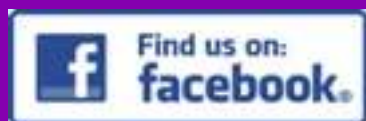

Remember our outing to *Truebrew* followed by dinner at the Newmarket Hotel this Thursday June 9. Those brewing beer should try to arrive as close to 6 pm as possible. The members who are coming for the tour only- can come anytime between 6pm and 6.30pm. We hope to be at the Newmarket Hotel to order meals by 7.15pm if not before.

The meeting scheduled for June 16 is to be the night where board members will present to you in some detail their achievements in their respective Avenues of service. Currently Secretary Bernie is collating the Annual report which will go to the printer very soon. I would encourage all members to make every effort to attend this club meeting as it will be a great opportunity to comprehend what our club has achieved this year. Copies of the report will be available for all members in attendance on this night.

One of my four key objectives for this year and submitted to our District Governor Julie at the beginning of the rotary year was to have some fun. *Hicks and Hayseeds* night has been planned to celebrate all the good things we have achieved within our club during the year. This night is meant to be a celebration of our year and yes to meet that objective that rotary can be fun too. This is a different night to what has been the traditional format but it should be remembered for better or worse I am not going away yet. There will not be an induction of a new President and there will be only three board member changes. Hardly requires a change- over event in the traditional vogue I would suggest. The flyer is attached once again and is *the* official invitation. Any past members are very welcome to come along and current members who keep contact with any of our past members should pass on this message of invitation. I know the DG is looking forward to our night as it will be one out of the 40 or more she will attend that will not be the same as all the rest. Also remember to pay Greg in advance if attending. Please advise Maggie of attendance or otherwise.

As I will be in Timor Leste when most of the other club *change overs* are happening if any member wishes to go along to represent our club please let me know. I will be attending both the Bendigo and Rochester *change overs* but cannot make the others. Dates are listed on this Signpost. I can let you know specific details if any of these interest you.

Attached is a flyer from the Rotary Club of Bendigo Strathdale advertising a great show at the Capital Theatre on Sunday July 31. Funds raised will aid the Cambodian MEC project. As Steven Lee and Greg Penno did some great work in organising some joint fund raising for this cause our board has decided to back this venture and encourage all members and partners to come along. More on this will appear in our July program. Tony Plant – President Bendigo South Rotary Club
