

Welcome to this weeks edition of the SignPost...

This week was a fairly laid back meeting, as we got back into the Rotary 'groove' for 2014.

The Meeting was well attended and thanks to Anne for organising and conducting the Trivia Activity that was enjoyed by members in attendance. And, what a great set of questions and topics ranging from the western most point in Australia to the number of ships in the First Fleet. Well done to Anne, Maggie and Anna (both assisting) - most enjoyable and entertaining!

Also, well done to Mark for conducting his first Sergeant's Session.

We also had visitors; Rotarian Peter Hall and his wife Ronda, from the Rotary club of Kyneton.

Also, sincere sympathies to Ros on the loss of her mother last week.

A reminder for the Film Night on the 19th February. Refer to the Notice in this Bulletin. This cluster activity should raise considerable funds (\$30/ person) for the Foundation Project - End Polio Now.

I have seen the shorts for the film, *The Monument's Men*, and it looks excellent.

Also the Club is short of two Board positions for next year - We need a Secretary and New Generations Director. This has occurred due to changing and unforeseen circumstances. Please think about this as I will be canvassing in earnest during February.

To incoming Board members, can you start thinking about next year. I would like each of you to develop three activities to form part of the Annual Plan for next year. The details need to include timeframes and associated costings, both income and expenditure. Please refer to the three year Strategic Plan that we developed at the Workshop. We will be in contact during February with the view of having a Draft Annual Plan and Budget completed by the end of April, with final documents distributed at the changeover.

Regards,

Rod Spitty
