Welcome to this weeks edition of the SignPost

At the meeting held last Thursday 6th August our own Steven Lee was our guest speaker. Steven gave a very professional presentation aided by a power point preparation covering his childhood experiences and more extensively his long career in the military services. It was evident to all in attendance that in Steven as a relatively new member to our club through both his work and life experiences has many valuable skills he is already demonstrating to us as a board member. There is much more I am sure he will further contribute in enriching the operations of our club in future years.

We also inducted our first new member for 2015/16 in Glenn Madden into our club. On behalf of all members I welcome Glenn and his wife Rosemary and wish them a long and enjoyable rotary experience over the coming years.

The business plan was adopted by the board and will appear in its completed format for all members to refer to via the club website. I do stress however it is only a guide and should be seen as a working document that can be added to and amended from time to time. What do they say about the best laid plans? Can't remember!

A list was circulated at the last meeting collecting names for those wishing to attend the Next Generation Club's meeting at the Exchange Café on Wednesday August 19. Should you be wishing to attend and you have missed this flyer please contact Ros. Usual time 6 for 6.30pm but if you wish to eat you will need to order from their menu soon after arrival.

Ticket sales for the boat raffle have been at Strath Village this weekend and have been quite steady. Next Friday a big day is planned in front of the market place front doors- then out to Strathfieldsaye on Saturday. The roster has been circulated and still needs a few extra volunteers. The more these selling times can be shared the lesser burden it will be on just a few and in turn the more sights I can book. The tickets do sell when the prize can be displayed. Also we are finding we are able to personally promote the Welsh Choir/Marina Prior matinee concert at the same time. Our club motto is **Connect to The Community**. When we are highly visible and are actually out there talking to people in the street the community in turn does see the real faces of local rotary representatives. Also I would encourage all members to take a book of tickets with a poster and encourage some further sales among friends or business contacts.

Also let us keep talking up the Welsh Choir/Marina Prior concert and make sure we get a full house.

This coming week we have the son of our foundation member Bill Ashman coming to speak at our club. I am really looking forward to this presentation and hope to see you along for another great night.
