President's Report

As you are aware, we did not have a meeting last Thursday due to the hotel not being available.

The board did meet at Lindsay's place. A number of donation decisions were ratified due to recommendations made at an informal board meeting over coffee at the tennis centre, a couple of weeks prior. All the donations agreed upon will be in the annual report which will be handed out at the changeover evening this Wednesday.

At the changeover, there will be a raffle in aid of Legacy. Please bring some cash. The usual amount will be \$5 or \$10. Our EFPTOS machine will be there, but cash will be preferable.

Lindsay and I are looking forward to seeing you all there.

Yours in Rotary

Travel to Ethiopia to see the impact of the EWASH project

There is an opportunity for you to visit the EWASH project sites in Ethiopia in the coming November (8-17) to see the impact of the project and hear from the communities how the project is changing their lives.

You would be joining the team from Operation Toilet Australia (an entity managed by the Rotary Club of Box Hill Central) and International Needs Australia. The trip will cost about \$2,950 AUD (may vary at the time of the booking), including return airfares from Melbourne. A copy of the flyer advertising the trip is attached. Also attached in the information flyer for the project. Our Club has donated \$5,000 to the project this year.

Timor Leste Knitting Program:

Early on Thursday morning June 5th, 72 large bags of knitted clothing items ultimately bound for Timor Leste, were taken from John and Barbara Cannon's storage shed in Kangaroo Flat across to Quality Wool in East Bendigo.

They were packed into 6 large wool bales. From there, the bales were then taken directly to the Donations In Kind warehouse in West Footscray for shipment later this year. Tony and Gary contributed from our club, as well as 2 or 3 members each from Bendigo Sandhurst and Bendigo Rotary clubs. It's an excellent, long-running program, and our clubs all really enjoy the opportunity to get together regularly to support it. Attached are some photos of the baling activity at Quality Wool prior to the garments being taken to the DIK warehouse.
