## Lindsay's notes

After getting back from my trip to Ethiopia the day before, it was straight into our AGM with some jetlag. Congratulations to Cora for her election as President Elect. She was able to achieve what a lot of us have found difficult; all her incoming Board positions are filled. Thank you for the support that the incoming Board members have provided. We still need a nomination for President Nominee. We then went onto our second meeting, a Special General Meeting to successfully amend our Club Constitution in line with the recent Council of Legislation revision.

The highlight of the night was Endel Vallak's presentation about himself. He was born in Australia of Estonian parents who met in a displaced persons camp in Germany after the war. They married within four weeks of arriving in Australia in 1949. Endel was raised in Traralgon where he took on a fitting and turning apprenticeship with the then SEC. He progressed through the various levels of responsibility for managing plant for electricity production, culminating in his responsibility for one of the four power plants at the Loy Yang Power Station. In his younger days he was involved in the Jaycees, including a stint as President. Within six months of joining the Rotary Club of Traralgon he was on the Board, and President with 18 months. He enjoyed his Presidency and was awarded a PHF four years ago with a sapphire being added later. Yes, everyone has an interesting history. It was great to learn a bit more about Endel.

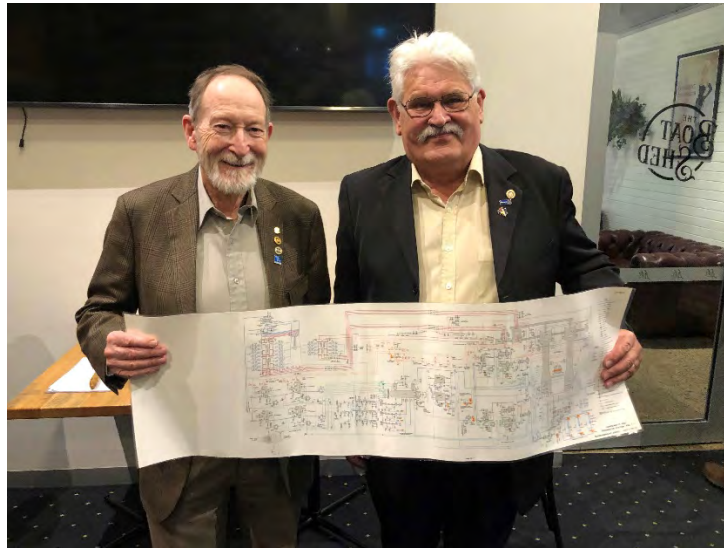

We were advised of the Thanksgiving Service arrangements for Honorary Member Ken Gittins, who had just passed away. He was well known to our longer-term Members. The Service will be held at the William Farmer Reflection Chapel, 12 Victoria Street, Eaglehawk on Tuesday 25 November at 11:00am. The Service can be viewed live at <https://www.williamfarmer.com.au/tribute-centre>.

Thank you to Rod, Peter, Tony and Gary for participating in this week's judging for the Energy Breakthrough at Maryborough. Peter enjoyed it that much that he went back for a second day.

Several photographs from my Ethiopian trip are attached. During the visit I was able to see the newly constructed girl's toilet block at Darcha primary and middle primary school. Our Club contributed \$5,000 to help build it. I plan to provide a presentation on my trip to a Club meeting early next year.

Do not forget that there is no Club meeting next week on Thursday 27 November, due to the Mandurang Christmas Market on the following Sunday.

Dear Rod,

The Rotary Foundation is proud to announce that we have recently received a four-star rating — the highest level possible — for the 17th consecutive year from [Charity Navigator](#), an independent charity evaluator in the United States.

We owe this success to the unwavering support and dedication of individuals like you. Thank you for being a crucial part of what makes our Foundation a powerful force for meaningful change and lasting impact through service.

Your past support of Rotary has funded sustainable projects that change lives. When you [make a contribution](#) to our Foundation, you inspire others and directly make a difference through initiatives around the world and in your local community.

## 9800 Rotary District Conference MARCH 27-29

The district conference will be held in Horsham as a combined event with districts 9510 and 9780. There has been regular feedback to previous district governors, especially from country club members, that our conference venue should be held within Victoria and be within driving distance. Not an interstate event requiring further expenses associated with getting there. DG Peter has taken this on board so it is up to us now to support him by turning up.

If we think back to the great weekend we had together in Barham some time ago we could come together in Horsham and rediscover a bit of that same sharing of friendliness and comradeship that was evident during the Barham experience.

As well as having a bit of fun it is a great opportunity for all attending to perhaps renew their vows to Rotary too!

I am asking you all to make a circle on your calendar around the last weekend in March next year and join me for a great time in Horsham. As more details come to hand, I will pass on the relevant information.

Tony Plant

On to conference campaigner.

### IMPORTANT NOTICE:

1. Anyone who is intending to go and needs motel accommodation needs to book ASAP as it is limited.
2. The District Governor had also advised that the conference booking arrangements with prices for the various activities will be released very soon
