Lindsay's notes

We continued our roving meeting locations. This time at the Mechanics Institute in California Gully, through the generosity of the Rotary Club of Eaglehawk. We appreciate that the Club let us take over their meeting room for the night. Alison even provided bar service for us. A meal of pizzas arranged by Tony started off the night before we heard from Jamie Roberts, owner and operator of Bendigo Guided Tours. With a passion for history and Bendigo gastronomy, Jamie has developed a variety of tours showcasing the two themes around Bendigo. Our city was designated Australia's first Creative City and Region of Gastronomy in 2019. Very recently, his tour company won the "Best New Tourism Business" at the Victorian Tourism awards 2025. Jamie will now be a finalist for the Australian award. We wish him well as he develops his business.

This was our last Club meeting of the year before our joint Christmas party with the Rotary Club of Eaglehawk this Wednesday 17 December at 6:30pm for 7:00pm. It will be at the home of Brian and Gail Fitzpatrick, 3 Chaplin Court, Eaglehawk. Do not forget that it is BYO drinks.

We rounded off the night with a well packed Board meeting. The report on this has been sent to all Members, continuing my commitment at the start of my term to provide a report on each Board meeting.

One of the matters approved was a \$2,500 donation towards the \$16,330 cost for the supply and installation of a transformer to replace a diesel generator. The latter costs more to run and its replacement will ensure a more regular and clean water supply for the Shurmo community in Ethiopia. Not only is the cost of diesel rising, but it can be difficult to obtain. The local community is providing \$4,200 towards the cost. The Shurmo project was one of those that I visited during my recent Ethiopia trip. An account of the trip can be seen at, <https://www.boxhillcentralrotary.org.au/Stories/to-ethiopia-amp-back-our-e-wash-field-monitoring-trip>. I will present my account of the visit at our 5 February meeting.

We will welcome 2026 with the High Tea at the Village Retirement Village Community Hall on Sunday 18 January - please see Heather's note on this. Our first Club meeting will be on Thursday 22 January at the Lake View Hotel, followed by our first Board meeting for 2026.

To all of those whom I will not see at the Christmas party, all the Best from Nena and myself for a relaxing and peaceful Christmas.

Guest speaker event - Gemma Sisia, of St Judes School Tanzania

Good morning fellow Rotarians. I'm just bringing to your attention an opportunity to join together to share a special guest speaker early in the new year.

Gemma Sisia, of St Judes School Tanzania, will be in Victoria for a week next year and will visit Bendigo on Tuesday, February 17 to be guest speaker at a special evening meeting.

Gemma has featured as guest presenter at many international events including our own, and other, Rotary district conferences.

Please consider making it a special Rotary Club meeting for your club or just notifying members of the opportunity to attend this special event.

Either way please mark your calendars and let your program coordinators know, we will be looking for numbers come the new year.

TUESDAY, FEBRUARY 17, 2026, 6 pm for 6.30 pm start - Bendigo Club

Gemma Sisia OAM, is an Australian humanitarian who founded The School of St Jude in Tanzania in 2002. The school provides free, high-quality education scholarships to over 1,800 of the brightest and most deserving Tanzanian children, with boarding for its 1,400 secondary students.

9800 Rotary District Conference MARCH 27-29

The district conference will be held in Horsham as a combined event with districts 9510 and 9780. There has been regular feedback to previous district governors, especially from country club members, that our conference venue should be held within Victoria and be within driving distance. Not an interstate event requiring further expenses associated with getting there. DG Peter has taken this on board so it is up to us now to support him by turning up.

If we think back to the great weekend we had together in Barham some time ago we could come together in Horsham and rediscover a bit of that same sharing of friendliness and comradeship that was evident during the Barham experience.

As well as having a bit of fun it is a great opportunity for all attending to perhaps renew their vows to Rotary too!

I am asking you all to make a circle on your calendar around the last weekend in March next year and join me for a great time in Horsham. As more details come to hand, I will pass on the relevant information.

IMPORTANT NOTICE:

1. Anyone who is intending to go and needs motel accommodation needs to book ASAP as it is limited.
2. The District Governor had also advised that the conference booking arrangements with prices for the various activities will be released very soon

THE FOUR WAY TEST

Is it the TRUTH

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service;

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
