President's Report

AG Alison Bacon from RC Eaglehawk, talked our Club Members in attendance through the Rotary International website and also My Rotary. She encouraged us to explore both sites if we are not familiar with them. The Rotary International website is a promotional tool and as such is available for anyone to access. My Rotary requires you to have a log-in. Club Runner is the other useful app you can down-load to your phone. It gives you access to other Clubs and their Members which replaces the hard-copy District Club list.

Gary Pinner is recovering from a double by-pass operation in Melbourne. He won't be home for another 5 -7 days. Reports say he is doing well and has been up to take a few steps. Greg Penno has had a hernia operation and Anne Peace continues to progress slowly. We wish them all speedy recoveries.

There is no Meeting on April 27 in lieu of the Trivia Night on Friday April 28. It's not too late to get a Table happening or if you are looking for a table to join, contact Tony Plant as we do currently have a couple of tables of 7 looking for an extra person.

May is Youth Month and there will be Guests at our Club Meetings pertaining to Youth, eg Scholarship recipients' presentations etc

The nights are turning chilly, so rug up and stay warm – enjoy the stunning Autumn colours!

The Trivia Night

Final reminder to book your team in via Try booking as the event is on this coming Friday night.

Thanks to those members who have been out collecting prizes. Our contribution looks very respectable now -not leaving it all to Eaglehawk members to organise-Well done.

At last conversation as late as Friday both Jan and Clive were still sitting on seven team members so if you are on your own and would like to go get in touch with either Clive or Jan. Also after speaking to Rob Rosaia this morning Bendigo Sandhurst may be looking for a couple extra. Am sure spots can be found but don't leave it to the last minute to tell me if you need some assistance.

I forgot to mention at our meeting last week that a few people will be required to help pack up chairs and tables at the conclusion of the event so if you can stay on after the event to help it will be much appreciated.

Also note the venue is at the St Liborius School this year -not the Exhibition Building at the Showgrounds as in past years.
