President's Report

I hope you all had a very happy Easter! Despite intermittent rain, the Good Friday Market, Fair and Easter-egg hunt was well attended. There were lots of great activities for kids in Rosalind Park and the Market was along Pall Mall this year. Our Club had our BBQ at the fountain end and there was a steady flow of customers all day. Thanks to all the Members who volunteered and a big thankyou to Gary and George who coordinate the BBQs. We had our fabulous new awning up which is big enough to have some customer space under cover – most welcome on a rainy day!

Congratulations must go to Greg Penno for his commitment to the Natalia Project. Natalia got home safely only to find her father gravely ill. He has since died which must be devastating for Natalia and her family.

It is not too late to decide to attend the International Convention. We have a few Members attending but it would be great to have a few more.

Trivia Night approaches – get your tables organised and come for a fun filled evening! Details attached.

See you at the Lakeview!

The Trivia Night

A further reminder to all members to reserve Friday April 28 for the Annual Rotary Trivia Night. The flyer is attached containing all the relevant details. Tables are to be booked this year using Try booking. Some members will need to take the lead and pay on line for your team of eight and then seek reimbursement from your individual team members. While we want to see lots of our local Rotarians coming along it is an opportunity to recruit other people outside our Rotary circle. If two members work together with a bit of recruiting of friends and partners it should not be hard to put a team together. Suggest you start early and get commitments so you know your team is in place well before April 28. All who have attended these nights in the past will testify that all who come along enjoy themselves in a fun filled action packed night.
