PRESIDENTS REPORT.

The Club's Vision 2016/19 is being reviewed. At our last meeting the club conducted a workshop as part of its meeting. I was very impressed with comments, inputs and interest from members as they enthusiastically contributed to the workshops. The vision for the next three years will operate from the commencement of the next Rotary year and will provide incoming President Glenn and his board with valuable information for the preparation of the annual plan. Members are encouraged to contribute further comments and ideas and forward to either myself, Glenn or Bernie before the end of May to enable the Board to consider all submissions and adopt a vision for the next three years with or without modification. Set out below is the Club's vision for 2016/19.

I thank all members for their interest and contribution on this important matter.

Greg Noonan is part of the organising committee for the 2020 District Conference to be held in Bendigo and is calling for members who wish to volunteer to assist with conference operations for all or part of the conference. Please contact Greg to discuss further.

Congratulations to Matthew Scott on completing his Masters of Education which is being presented this weekend in Sydney.

This coming meeting is Scholarship night where the club will be meeting the year 10 scholarship recipients from our 6 secondary schools and listening to their presentations. Chair Glenn Madden is planning an interesting evening.

District Assembly is on again at Tabcorp Park on Sunday 26th May. Any member is welcome to attend. (Refer attachment) Please contact Glenn to enable registrations to be completed. Attendance is free to all members and paid for by the Club.

See you at the Foundry this Thursday.

Yours in Rotary

Reconciliation Week Indigenous youth project

The Indigenous Support Program at Bendigo Senior Secondary School is conducting an Avenue of Honour of Indigenous Heroes at BSSC/Ulumbarra café **courtyard at lunchtime on Wednesday 29 May for Reconciliation Week.**

An invited guest is Paul Haw from Boort, author of Footprints Across the Loddon Plains about early settlement around Lake Boort, and custodian of locally collected artefacts on behalf of the Dja Dja Wurrung people.

The school will be conducting a BBQ on their own cooking facilities for the whole school community, and we have been asked if we can provide volunteers to assist - many hands are needed. This is a great opportunity to don the club colours and support local youth and Indigenous programs.

Set the date aside in your diary if you are available. Volunteer names will be collected over the next couple of weeks.
