PRESIDENT'S REPORT

A very enjoyable evening was had by all at our dinner meeting last Thursday. Members were reminded of the many BBQ commitments coming up and please let George know as soon as possible if you can assist. Also, the firewood working bees on the 11th, 12th and 13th of October require help if you would like to get some exercise and enjoy the great outdoors at the same time.

The highlight of our meeting was a very interesting report by Zoe Pocock on her trip to South America working at various animal sanctuaries and exploring the jungle. Zoe had many unique experiences including studying endangered Macaws and monkeys in Peru, sloths and turtles in Costa Rica and various other encounters in Columbia, Panama, Bolivia and Equador. Not many people could say they have released hundreds of leatherback turtles into the sea, cuddled sloths and spider monkeys and laid low for days in bird hides watching for rare macaws. Thanks, Zoe, for a great talk.

Lucky Lotto winner this week was Ian Ellis.

Glenn Madden
PRESIDENT 2019/2020.

Please see the notes below regarding the End Polio Walk at Lake Neangar on Saturday October 19th and the Leadership training program conducted by the Rotary Leadership Institute in Bendigo on Sunday 27th October

End Polio Walk: Arrangements are proceeding for the End Polio Walk on Saturday, 19th October with events being held at Albert Park Lake, Melbourne and Lake Neangar, Eaglehawk. Ron is leading the organization for the Eaglehawk event to assist people not wanting to travel to Melbourne. Registrations have not been strong at this stage and we encourage you to work hard in the coming weeks to get members supporting this event through participation and/or donation.
