PRESIDENT'S REPORT

A larger than usual group of Rotarians and friends gathered at the Foundry Hotel on Thursday for our dinner meeting. Our numbers were swelled by a group of senior students, parents and teachers from the East Loddon P-12 school. The students and teachers gave us an overview of their forthcoming trip to Vietnam and Turkey. Whilst in Turkey, the students will attend the Anzac Day ceremony at Gallipoli and will be billeted with students from their sister school. This will be a great experience for the students and it helps keep the ANZAC spirit alive. The students have been busy fundraising for the trip including helping with Rotary catering at the Swap Meet.

For their efforts our club is supporting them with a cheque for \$1000.

I also had the pleasant task of inducting the club's newest member Mark Tracy who was introduced to the club by his sponsor and mentor Paul Gibbons. Welcome Mark.

Apart from that our club has been busy with a barbeque for the TAFE Welcome Day with another to be held on Tuesday at Latrobe University for O Week. There is no club meeting next week due to the Scots Day Out BBQ on Saturday 29th February.

Thank you to those members who indicated that they could help out at the SCOPE working bee on Sunday March 15th. More information regarding this will be relayed closer to the day.

This week's Lucky Lotto was won by number 29 Betty Plant.

President Glenn Madden

Shift 2: 11 am – 3 pm.
6 volunteers required.
Point of sale.

PLEASE SEE ATTACHMENT RE THIS PROGRAM.

World of Difference" is a District Managed program which was started by Rotary Melbourne South back in 2009. Since then over 20 humanitarian trips, over 10 district and global grants have achieved safe water, agriculture, health, education and economic opportunities that Cambodian people desperately requested. We monitor and build on these trips after trip.

Our committee members and passionate team would be most grateful for the opportunity also to visit your Club to speak further about the upcoming trips, the project they envelop and what possibly the research and future project development is being explored at this moment. If a speaker opportunity is available our Chair Rob Hines would love to hear from your speaker Chair. His email address is rob.hines@live.com.au
warm regards

FROM INTERNATIONAL DIRECTOR HEATHER

I also attach the invitation to the **Donations in Kind OPEN DAY on Sat, 29 February**. This will be a fantastic opportunity for all Rotary Clubs to invite members, family, friends & business colleagues to highlight a brilliant D9800 Project. At this time, we will be celebrating the 600th Shipping Container. Just imagine how many people across the world have been helped by these shipments. The 600th will most probably be a 40-foot container to the Solomon Islands National Referral Hospital...one of our nearest neighbours who are most appreciative of our partnership in helping them. Yes, there is so much more we can do together. 2 x 40ft Containers were shipped to the Solomon Islands in 2019 with letter of thanks being received. Come along & find out heaps more on the day.

PLEASE SEE ATTACHEMENTS THIS SIGNPOST.

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service;

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
